GOOD NEWS --- A meeting will soon be held to go over final details for ac-
quisition of property, where we plan to move the Holbrook House we have
acquired for our new HOME. The Holbrook House is now located on Pleasant
Street at the entrance of the South Junior High School. Members will be in-
formed of our progress. We are grateful to Mr. Wilbur Tirrell and truly ap-
preciate the time and effort he has spent on this project.

CONGRATULATIONS: The Ways and Means Committee has done it again. This
time, it was on our recent Theatre Party. Excitement filled the air that
evening. Old friends and neighbors smiled and nodded to each other as they
entered the Theatre. Everyone enjoyed the Show, "The King and I." Results:
Total profit - \$456.00. Our hearty thanks to Betty Kevitt, Norma Tirrell
and Evelyn Walker for a job well done.

The regular meeting for December has been cancelled due to time spent on
formulating plans for our new home. The meeting will be held the second
week of January. Members will be notified by postcard, after our guest
speaker confirms the date.

There has been a good response to the cards sent out reminding members of their dues. BUT - There are still some who have not paid. REMEMBER, April will soon be here and time to pay dues for another year.

Members of the Society extend their deepest sympathy to the family of Kenneth Swan.

In October, the Town of Weymouth welcomed Alderman W. E. Ward from the town of Weymouth, England. He was entertained by Town Officials and was an overnight guest of our own Betty and Chet Kevitt.
