The 1972-73 season started off with an unusually enjoyable tour of three museums of the Cohasset Historical Society. Pres. Robert N.D. Arndt and all those who hosted the tour made everyone feel at home. For those who couldn't attend, your Newsletter writer strongly recommends you include a visit to the many historic sites at Cohasset next summer. Meanwhile, we extend an invitation to interested members of the Cohasset Historical Society to attend any of our meetings!

Erich Ekholm gave an illustrated account of the "Archaeological Digs at Plymouth" for the October meeting which was greatly enjoyed.

Which brings us up to the "to be announced" Nov. 15th meeting:- On that date Carol Bratley will talk on "Ghosts of the Industrial Revolution 1820 - 1860, New England Mills and Mill Towns."
