Newsletter

MARCH 1982

LOOKING AHEAD: We hope the winter is behind us so that no one will fear the ice and snow from now on. In going over past issues we find that we mentioned the weather (and/or flu) in the March newsletters of 1976, 1977, 1978, 1979. No one liked this winter at all so we'll go on to better things. Such as good programs!

March 17: Let's all welcome spring and Professor William Fowler who will be our speaker. He is a scholar who has made an extensive study of John Hancock's life and times and will bring them vividly to us.

April 26: Please remember that this will be our annual dinner and meeting on a Monday evening. We have heard much about the beautiful pictures Henry Dormitzer took of "Operation Sail" in 1980 and hope a large crowd will be on hand to meet him. If you can't enjoy dinner with us, the meeting will start at 8 pm.

FUN FOR ALL: After a random survey at the January meeting the following menu was selected as the most popular. Please fill out the coupon and mail it to Chris Stanton who will appreciate an enclosed self-addressed envelope. Stamped too to help the treasury.
